OUR COMMITMENT TO THE SUCCESS OF YOUR CHILD

Heritage Elementary School

2017—2018

Home—Parent Compact

Effective schools are a result of families and school staff working together for each child's success. This compact is an agreement between Heritage Elementary and your family toward that goal. We invite you to be involved in a partnership with us!

At Heritage Elementary, we want to provide your child with the best opportunity to reach his/her fullest potential - socially, emotionally, and academically. As a result, we are committed to the following:

- ⇒ Cultivate a culture of appreciation and respect for all.
- ⇒ Model and reinforce “Hero Way” expectations.
- ⇒ Build capacity for universal achievement by providing high quality curriculum and instruction in a supportive and effective learning environment that enables your child to meet or exceed state academic achievement standards.
- ⇒ Empower students with 21st century skills that promote collaboration, communication, critical and creative thinking skills in preparation for future career pathways.
- ⇒ Hold ourselves and your child to the highest standards of success and believe that together, we can meet those standards.
- ⇒ Provide you with timely reports on your child's progress.
- ⇒ Conduct parent-teacher conferences as it relates to your child's individual achievement and goals.
- ⇒ Respond to your concerns in a caring and timely manner.
- ⇒ Provide you with opportunities to volunteer and participate in classroom and campus events.
- ⇒ Offer informational sessions where you can learn more about Title I topics, curriculum, assessment, and ways you can become personally involved in campus decisions that affect the education of your child.

You are your child's first teacher! We understand that your supportive role is invaluable in his/her overall success. Therefore, we invite you to consider the opportunity to "shake on it" by committing to the following activities that can help your child to perform at his/her best each day!

As a Heritage family, we want to provide our child with the best opportunity to reach his/her fullest potential - socially, emotionally, and academically. As a result, we are committed to the following:

- ⇒ See that my child gets adequate food and sleep each day.
- ⇒ See that my child attends school regularly and on time.
- ⇒ Support Heritage staff in maintaining discipline and high academic expectations.
- ⇒ Set aside a specific time and place for homework & review it daily.
- ⇒ Read with my child and let my child see me read regularly.
- ⇒ Initiate and respond to communication with my child's teacher.
- ⇒ Volunteer to assist with campus activities at home or at school.
- ⇒ Become familiar with Keller ISD curriculum, state academic standards, and Title I topics of interest.

As a Heritage Hero, I understand that I have personal responsibility in my own learning. As a result, I commit to the following:

- ⇒ Model "Hero Way" expectations at all times.
- ⇒ Be prepared for school and give my best each day.
- ⇒ Ask questions and seek help when I need it.
- ⇒ Respect myself, my school, my teacher, and others.
