

Citizens Bond Advisory Committee (CBAC) Meeting February 12, 2014

Welcome and Overview

Dr. Reid welcomed the CBAC group and gave an overview of the next few months meeting activities.

Demographic Update

KISD's demographic consultant, Bob Templeton, gave an overview of our current economic conditions, housing development, and ten year enrollment forecast. Per committee request, information regarding the functional capacity of our buildings will be provided to the committee next week.

Early Learning Center Update

Dr. Reid provided information regarding needs for our Early Learning Center.

Facilities Assessment

Hudson Huff, Executive Director of Facility Services, provided an overview of a Facilities Needs Assessment that was done in mid-2013 to determine facility needs at our campuses five years old or older. The committee will look at this in greater depth in work groups beginning with our next meeting.

Technology Update

Chief Technology Officer, Joe Griffin, reviewed the past growth of our district's technology and a look at the district's future needs.

CTE

Casey Stone, Director of Career Technical Education, Innovation and Virtual Learning, gave an overview of where our district needs to be heading in the areas of career technical and virtual learning programs.

Finance

Due to time constraints, the finance presentation will be added to the February 18 CBAC meeting agenda.

Future Meeting Dates

Hudson distributed a calendar of upcoming meeting dates.

CBAC members were invited and encouraged to attend the Financial Town Hall meeting at 6:30 PM on Thursday, February 13. The meeting will be recorded. Additionally, this semester's Community Ambassadors Program begins on Monday, February 24. Please contact Director of Media Services, Shellie Johnson, if interested in participating.

Adjournment
